

Dear Residents,

Due to the contractor not yet providing the Certificate of Occupancy for the new community center, the HOA is unable to host the Valentine's Day dinner under normal capacity arrangements in the new community center. As a result, the Social Committee will be dividing the event into two separate seating time frames to ensure everyone can participate safely and comfortably. This will take place in Bldg. # 5

The first time frame is 1 - 3 pm and the second is 4 - 6 pm

We sincerely apologize for any inconvenience this may cause. Please understand that this situation is beyond the control of the HOA and the Social Committee, and we appreciate your patience and understanding as we work to accommodate all residents. Thank you for your cooperation, and we look forward to celebrating with you.

Below is the seating arrangements and best we could configure. IF you want to be with a group you are not with. Let Rose know immediately @ [rshinkle50@gmail.com](mailto:rshinkle50@gmail.com).  
We can not guarantee but will try our best to accomadate.

Please come and enjoy dinner with your community, neighbors and friends.

Grand Opening will be announced at a later date..

Sincerely,  
The Social Committee
